瓦楞纸板纵切圆刀

Slitting knives for corrugated paperboard industry

该系列刀片用于国内外单机或者瓦楞纸生产线上分切瓦楞纸板。

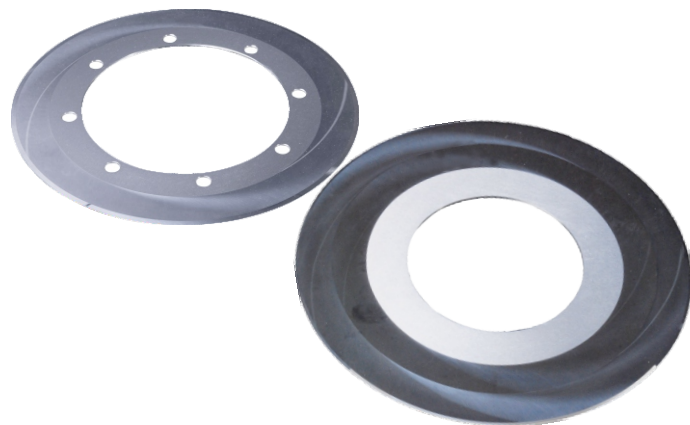

"Kedel" tungsten carbide slitting knives for corrugated paperboard industry are used for slitting corrugated paperboard in the popular chinese and foreign machines or production lines.

常用规格分为国内机型（中低速机）用刀和国外机型（高速机）用刀:

Corrugated paperboard slitting machine falls into 2 types: Low-medium speed machine (chinese machine)and High speed machine(foreign machine).
